

### REMARKS

Claims 1-17 are pending in this application. No claims have been canceled.

In the Specification, the Description of Related Art and the Abstract have been amended to correct editorial errors.

In the Claims, claims 1-4 are amended to particularly point out and distinctly claim the subject matter, which Applicant regards as the invention. New claims 7-17 are also submitted herewith for entry and examination.

Support for these new claims and amendments can be found in the Specification. Also, the claims and amendments do not add new matter and are not narrowing with regard to prior claims.

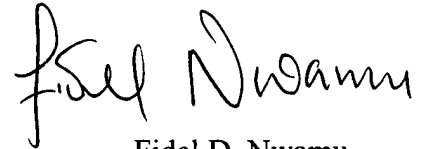

### CONCLUSION

Applicant believes all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.
